Mission
K. International School Tokyo provides academically motivated children from diverse cultural and social backgrounds with a high quality education in a safe and supportive environment to develop competent, academic and compassionate individuals who make meaningful contributions to our global community.

School overview
K. International School Tokyo (KIST) is a private, coeducational, non-denominational day school serving the international community of Tokyo from pre-Kindergarten through Grade 12. Authorized by the International Baccalaureate as an IB World School, KIST was the first school in Tokyo and the second school in Japan fully authorized to offer the full IB continuum: the Primary Years Programme (PYP), the Middle Years Programme (MYP) and the Diploma Programme (DP). KIST is fully accredited by the Council of International Schools and the Tokyo Board of Education. KIST is authorized by Edexcel to deliver the IGCSE curriculum. English is the language of instruction at all levels of the school.

Enrollment and admissions
At KIST, we have....

Curriculum and grading in the DP
In Grades 11 and 12, all students are enrolled in the 2-year IB Diploma Programme. All students are required to study six subjects: a maximum of three at Standard Level (SL) and a maximum of four at Higher Level (HL). In addition, they must complete 150 hours of Creativity, Action and Service; take a course in Theory of Knowledge; and write an Extended Essay of 4,000 words. School-based examinations are held at the end of Grade 11, with externally set examinations at the end of Grade 12.
Academic achievement is graded on the IB 1 to 7 scale, with 1 being the lowest and 7 being the highest mark attainable. As an IB World School, it is our philosophy neither to rank students each other nor to compute grade point averages (GPA).

IB grade descriptors
7: Excellent | 6: Very Good | 5: Good | 4: Satisfactory
3: Mediocre | 2: Poor | 1: Very Poor
